Home Entertainment at Your Fingertip

Introduction

Cooler Master has launched a brand new series of case – CM Media. The stylish CM Media case, with its simple but elegant designs, complement any decor.
For anyone looking to build a HTPC, CM Media offers the most stylish choice.

Features

- Brushed aluminum front bezel with distinctive design
- Smart mechanical design for quick and easy installation
- Standard component space structure for future upgrade
- Multiple cooling effects: ventilation holes on the top and side to circulate air and passively cool components
- Fully EMI shielded to protect users from harmful electronic emissions
- Entertaining add-ons: a media center PC designed with entertaining add-ons upgrade ability
